

It's Magic Monday!!!

This month we celebrate Kate Krupey '89

Kate currently serves on Mercy's Board of Trustees. After graduating from Mercy, she attended Drexel University and received her B.S. degree. She also has several professional certifications including an MSCE, PMP and is working on a Lean Six Sigma Green Belt. Kate is currently a CIO at KatzAbosch, a public accounting firm. She has been married for 12 years and has two wonderful children, Eliot (11 years old) and Savannah (6 years old). In her spare time, she loves to read and has been a member of a book club for 10 years and while they sometimes disagree they love coming together to enjoy a good meal and each other's company. While a Mercy girl, Kate fondly recalls making the basketball team during her freshman year. She was a little surprised to make the team but earned the Most Improved Player award that year. It meant the world to her. She learned a great deal playing for Mercy and has taken those lessons about perseverance, teamwork and the ability to succeed when you are starting from scratch with her into every aspect of her professional and personal life. Congratulations Kate! We are proud to have your continued support of Mercy High School.
