

It's Magic Monday!!!

This month we celebrate Shanna Williams Edmond '95

Shanna, a member of our Alumnae Association Executive Board, graduated from Mercy in 1995 and attended Lincoln University, the first historically black college and university. She earned her Bachelor's Degree in Biology and went on to earn her Master's Degree in Curriculum and Instruction from Loyola University Maryland. She currently works for the Maryland State Department of Education as a grant manager for out of school time programs. She is an only child and has been blessed with 2 beautiful daughters. Sanaa is following in mom's footsteps and is a sophomore at Mercy and Sydney is a freshman at Eastern Technical High School. Max, their Yorkshire Terrier has been a member of the family for over 10 years. Shanna loves to empower young ladies who have experienced challenges in their lives through mentoring. At the very young age of 2, Shanna became a self-proclaimed crab connoisseur. To the envy of all, she enjoys eating crabs almost weekly.

Thank you, Shanna, for all you do for our Mercy Girls!
