

It's Magic Monday!

This month we celebrate Michele Huffman Mueller '98!

With a bachelor's degree in mass communications and public relations and a minor in marketing from Towson University, Michele brings a strong background to her work as director of special events at Kennedy Krieger Institute. She is responsible for all aspects of the Festival of Trees, an annual event at the Maryland State Fairgrounds drawing thousands of people.

Michele and husband Larry, are the proud parents of Tripp, born nine weeks early in 2017. Their rescue pit bull mix, Crème Puff, adds to the fun. Michele's sister Kristina Huffman Davies is also a Mercy Girl—class of 1995!

In Michele's limited spare time, running is her focus. A successful marathoner, she coaches 5K and 10K training groups for Charm City Run. She also enjoys staying connected with classmates and friends via social media.

Michele was Field Day presentation captain three times, an experience that helped her understand how special events work. Her favorite Mercy memory is the class of 1998's Field Day victory as juniors. Despite a hard year for their class and the captains, they all pulled together with an amazing result. Michele will always cherish the spirit of the Class of 1998!

Accomplished professional, dedicated wife and mother, and loyal Mercy volunteer, Michele is an outstanding Mercy alumna!
